Welcome!

Dear visitor, welcome to the official website of our church, the “**Church of love of Jesus Christ** ” in Rethimno.

Our purpose is to spread the good news of the Gospel to all those who long for **the truth**. From the links on this page you can listen to the Bible preached, read articles and testimonies.You can even request a free copy of the Gospel in your language, which we will be pleased to send to you.

Please do not hesitate to contact us with your comments, suggestions, queries or even objections. We hope this website will be an oasis amongst all the chaos that is the internet. **God bless you!**
